## Health & Safety Policy Statement

---

### OUR STATEMENT OF GENERAL POLICY IS:

To provide adequate control of the health and safety risks arising from our work activities;

To consult with employees on matters affecting their health and safety;

To provide appropriate PPE;

To maintain healthy and safe working conditions;

To prevent accidents and cases of work related ill health;

To provide information, instruction and supervision for employees;

To ensure employees are competent to do their tasks and are given adequate training;

To provide and maintain safe equipment;

To ensure the safe handling of products and equipment, and particularly heavy items;

To review this policy at regular intervals and revise as required.
